

February 3, 2021

Good Afternoon Everyone,

This is an official update on our current status.

On Monday I alerted you that we had 4 residents and 1 staff member that tested positive for COVID. Today we have identified one additional resident as being positive on the 4<sup>th</sup> floor. The related family member has been notified.

This has also been reported to all the required agencies, and we remain in “outbreak” status; and in Phase 0. We will stay in Phase 0 until we have 14 days with no positive results after the last positive results.

All staff were tested on Monday and we are awaiting the results. We will be testing all staff in-house tomorrow. All residents will be tested on Friday (2/5) by the National Guard.

**The following is in place:**

- We will continue to check for symptoms on all residents three times a day.
- All residents are on precautions: no group activities; no dining in groups, and no visitation except for compassionate visits.
- All staff continues to be screened before entering the facility.
- Staff are in full PPE (personal protective equipment) on all floors.
- We continue to test all staff twice a week.
- We are closed to new admissions.

Sincerely,

Joe Bohunicky, NHA, MBA, Administrator  
Mt. Carmel Rehabilitation and Nursing Center
