

December 16, 2021

Hello Everyone,

A new positive staff member as a result of our PCR testing. We now have 2 residents and 5 staff members.

We heard that 15 of the tests we sent in were unreadable. We will be testing these people again tomorrow.

The following interventions are in place:

- The residents that the LNA came in contact with were placed on quarantine and staff are wearing full enhanced PPE when caring for them.
- Approved unvaccinated staff continue to wear an N95 mask, surgical mask and eye protection at all times and in all resident/patient care areas.
- All other staff are wearing a surgical mask an N95 and eye protection at all times and in all resident/patient care areas.
- All residents are assessed for signs and symptoms of Covid-19, 2 times a day and if there is a noticeable change in their condition.
- We screen all staff, visitors, vendors, and other healthcare providers upon entering the building.
- We test all approved non-vaccinated staff two times per week per state guidelines

Sincerely,

Joe Bohunicky, NHA, MBA, Administrator
