January 23, 2022

Hello Everyone,

We had another staff member test positive yesterday through an antigen test:

Position	Last Worked	Floor
LNA	1/20	2

We will be PCR testing residents and staff Sun-Wed this week and as needed by antigen test.

The following interventions are in place:

- Residents are quarantined on the 3rd floor per City Health Department Guidance.
- All residents are wearing and being reminded to wear a mask when out of their room, **when with a visitor**, and during care, (difficult on 3rd floor).
- All staff on the 3rd floor is now wearing a surgical gown/mask, an N95 and eye protection at all times and in all resident/patient care areas.
- All other staff are wearing a surgical mask, an N95 and eye protection at all times and in all resident/patient care areas.
- All residents are assessed for signs and symptoms of Covid-19, 2 times a day and if there is a noticeable change in their condition.
- We screen all staff, visitors, vendors, and other healthcare providers upon entering the building.
- We are testing following the outbreak guidelines which is once weekly of all staff and residents. We are also doing an antigen test as needed for staff and residents if anything is suspected.

Sincerely,
Joe Bohunicky, NHA, MBA, Administrator
