

July 15, 2022

Hello Everyone,

235 Myrtle Street, Manchester, NH 03104
T: 603-627-3811 • F: 603-626-4696
mtcarmelrehabcenter.org

Today we finally received several but not all test results back from Tuesday's staff and resident testing; we had a Therapist test come back as positive. This therapist has worked on all floors over the past few days (not knowing they were positive).

We will be doing another round of testing next week on Wednesday for all staff and residents. In addition, all residents are monitored for any change in symptom's twice daily and can be tested with an antigen test if/when needed.

If you've been out and about there isn't much mask wearing going on. We are still at a high transmission level and should be cautious when out in public areas. Please follow our visitor guidelines while visiting as we strive to keep the resident's safe and COVID free.

The following interventions continue to be in place:

- All staff are wearing a medical mask and eye protection at all times in all resident/patient care areas (full PPE for any resident(s) in quarantine or isolation, N95, eye protection, gowns, gloves) (Staff not up to date on vaccinations will also wear a N95 and eye protection in resident areas on third floor)
- We are still keeping each resident floor separated from each other, and trying to limit the size of group activities, and when permitted and when outside, use social distancing and masks.
- Residents on all floors can be out and about with a mask.
- All residents are wearing and being reminded to wear a mask when out of their room, **when with a visitor**, and during care, (difficult on 3rd floor).
- All residents are assessed for signs and symptoms of Covid-19, 2 times a day and if there is a noticeable change in their condition.
- We screen all staff, visitors, vendors upon entering the building.
- We are currently testing weekly all staff and residents. We are also doing an antigen test as needed for staff and residents if anything is suspected.

Sincerely,

Joe Bohunicky, NHA, MBA, Administrator
Mt. Carmel Rehabilitation and Nursing Center
