Hello Everyone,

We learned yesterday that a resident on the 3<sup>rd</sup> floor tested positive. Today another resident from the 3<sup>rd</sup> floor tested positive. Both are being kept in isolation in their rooms.

Due to these positive cases, we continue to remain in outbreak status.

**The following interventions continue to be in place:**

- Staff on 4<sup>th</sup> floor are wearing a medical mask and eye protection at all times in all resident/patient care areas (full PPE for any resident(s) in isolation, N95, eye protection, gowns, gloves).
- All 2<sup>nd</sup> and 3<sup>rd</sup> floor staff are wearing an N95 and eye protection at all times (full PPE for any resident(s) in isolation, N95, eye protection, gowns, gloves).
- We are keeping each resident floor separated from one another.
- Residents can be out and about with a mask.
- All residents are wearing and being reminded to wear a mask when out of their room, when with a visitor, and during care, (difficult on 3<sup>rd</sup> floor).
- **All residents are assessed for signs and symptoms of Covid-19, 2 times a day and if there is a noticeable change in their condition.**
- We screen all staff, visitors, vendors upon entering the building.
- **We are currently testing weekly all staff and residents. We are also doing an antigen test as needed for staff and residents if anything is suspected.**

Sincerely,

Joe Bohunicky, NHA, MBA, Administrator  
Mt. Carmel Rehabilitation and Nursing Center
