December 30, 2022

Hello Everyone,

Letting you know that we had 3 staff test positive yesterday. 1 from our dietary department, last worked yesterday in the kitchen; 1 LNA, last worked yesterday on 4th floor, and 1 housekeeper, last worked on the 26th on the 3rd floor.

We also had 3 residents on the 4th floor test positive today.

We currently have 6 residents on the 4th floor and 3 staff that are positive.

The city health department is not putting us into an "Outbreak" status. We will however, be testing all staff and residents one time per week on the 4th floor.

The following interventions continue to be in place:

- Staff on all floors are wearing a medical mask and eye protection at all times in all resident/patient care areas (full PPE for any resident(s) in isolation, N95, eye protection, gowns, gloves).
- All residents are wearing and being reminded to wear a mask when out of their room, when with a visitor, and during care, (difficult on 3rd floor).
- All residents are assessed for signs and symptoms of Covid-19, 2 times a day and if there is a noticeable change in their condition.
- We are also doing an antigen test as needed for staff and residents if anything is suspected.

Wishing you all a Happy New Year!

Sincerely,
Joe Bohunicky, NHA, MBA, Administrator
Mt. Carmel Rehabilitation and Nursing Center
