Hello Everyone,

We had a nurse on the 4th floor test positive yesterday; they last worked on 1/16/23.

We currently do not have any residents that are positive.

The following interventions continue to be in place:

- Staff on all floors are wearing a medical mask and eye protection at all times in all resident/patient care areas (full PPE for any resident(s) in isolation, N95, eye protection, gowns, gloves).
- All residents are wearing and being reminded to wear a mask when out of their room, when with a visitor, and during care, (difficult on 3rd floor).
- All residents are assessed for signs and symptoms of Covid-19, 2 times a day and if there is a noticeable change in their condition.
- We are also doing an antigen test as needed for staff and residents if anything is suspected.
- We are currently testing weekly all staff and residents.

Sincerely,

Joe Bohunicky, NHA, MBA, Administrator
