Hello Everyone,

Letting you know that we had a resident on the 4th floor test positive today. They are being isolated in their room at this time.

The following interventions continue to be in place:

- Staff on all floors are wearing a medical mask and eye protection at all times in all resident/patient care areas (full PPE for any resident(s) in isolation, N95, eye protection, gowns, gloves).
- All residents are wearing and being reminded to wear a mask when out of their room, when with a visitor, and during care, (difficult on 3rd floor).
- All residents are assessed for signs and symptoms of Covid-19, 2 times a day and if there is a noticeable change in their condition.
- We are also doing an antigen test as needed for staff and residents if anything is suspected.
- We are currently testing weekly all staff and residents.

Sincerely,

Joe Bohunicky, NHA, MBA, Administrator
