Just wanted to let you know that we are currently clear of any COVID cases, staff and residents. Also, we are finally clear of the GI that was hanging out in the building for the last several weeks.

**The following interventions are currently in place:**

- Staff on all floors are wearing a medical mask at all times and eye protection (depending on the severity level in the county), in all resident/patient care areas.
- Staff on all floors are wearing full PPE for any resident(s) in isolation, (N95, eye protection, gowns, gloves).
- All residents are being reminded to wear a mask when out of their room, when with a visitor, and during care, (difficult on 3<sup>rd</sup> floor).
- All residents are assessed for signs and symptoms of Covid-19, 2 times a day and if there is a noticeable change in their condition.
- We are also doing an antigen test as needed for staff and residents if anything is suspected.

Sincerely,

Joe Bohunicky, NHA, MBA, Administrator
