March 15, 2023

Hello Everyone,

Just wanted to let you know that we had a nurse test positive yesterday, they last worked on Friday on the 3rd floor.

We also had a resident on the 2nd floor test positive yesterday; they have been put into isolation.

At this time, we are not in outbreak status. All residents on the 3rd and 2nd floors have been tested.

The following interventions are currently in place:

- Staff on all floors are wearing a medical mask at all times and eye protection (depending on the severity level in the county), in all resident/patient care areas.
- Staff on all floors are wearing full PPE for any resident(s) in isolation, (N95, eye protection, gowns, gloves).
- All residents are being reminded to wear a mask when out of their room, when with a visitor, and during care, (difficult on 3rd floor).
- All residents are assessed for signs and symptoms of Covid-19, 2 times a day and if there is a noticeable change in their condition.
- We are also doing an antigen test as needed for staff and residents if anything is suspected.

Sincerely,

Joe Bohunicky, NHA, MBA, Administrator
Mt. Carmel Rehabilitation and Nursing Center
