March 21, 2023

Hello Everyone,

Just wanted to let you know that we had an LNA test positive yesterday, they last worked on Friday on the 4th floor.

That makes three positives and it puts us in outbreak status. All residents on the 4th floor have been tested.

The following interventions are currently in place:

- Staff on all floors are wearing a medical mask at all times and eye protection (depending on the severity level in the county), in all resident/patient care areas.
- Staff on all floors are wearing full PPE for any resident(s) in isolation, (N95, eye protection, gowns, gloves).
- All residents are being reminded to wear a mask when out of their room, when with a visitor, and during care, (difficult on 3rd floor).
- All residents are assessed for signs and symptoms of Covid-19, 2 times a day and if there is a noticeable change in their condition.
- We are also doing an antigen test as needed for staff and residents if anything is suspected.

Sincerely,

Joe Bohunicky, NHA, MBA, Administrator
Mt. Carmel Rehabilitation and Nursing Center
