Hello Everyone,

Just wanted to let you know that we had an LNA test positive yesterday, they last worked yesterday on the 2<sup>nd</sup> floor.

AT this time, we are not in an outbreak status however we will be doing contact tracing and testing all staff and resident on this floor.

**The following interventions are currently in place:**

- Staff on 2<sup>nd</sup> floor are wearing a medical mask at all times in all resident/patient care areas.
- Staff on all floors are wearing full PPE for any resident(s) in isolation, (N95, eye protection, gowns, gloves), (none at this time).
- All residents on 2<sup>nd</sup> floor are being reminded to wear a mask when out of their room, when with a visitor, and during care.
- All residents are being assessed for signs and symptoms of Covid-19, 2 times a day and if there is a noticeable change in their condition.
- We are also doing an antigen test as needed for staff and residents if anything is suspected.

Sincerely,
