Hello Everyone,

Just wanted to let you know that we had a resident on the 4<sup>th</sup> floor test positive yesterday, they are in isolation at this time.

With only the one resident we are not considered in an outbreak status however we will be testing all staff and residents on this floor during the next two weeks.

**The following interventions are currently in place:**

- Until 5/29 all staff on 2<sup>nd</sup> floor are wearing a medical mask at all times in all resident/patient care areas.
- Until 6/8 all staff on 4<sup>th</sup> floor are wearing a medical mask at all times in all resident/patient care areas.
- Staff on all floors are wearing full PPE for any resident(s) in isolation, (N95, eye protection, gowns, gloves), (none at this time).
- Until 5/29 all residents on 2<sup>nd</sup> floor are being reminded to wear a mask when out of their room, when with a visitor, and during care.
- Until 6/8 all residents on 4<sup>th</sup> floor are being reminded to wear a mask when out of their room, when with a visitor, and during care.
- All residents are being assessed for signs and symptoms of Covid-19, 2 times a day and if there is a noticeable change in their condition.
- We are also doing an antigen test as needed for staff and residents if anything is suspected.
- Visitors are encouraged but not required to wear a mask when visiting either of these two floors until the dates noted above.

Have a wonderful Memorial Day 😊

Sincerely,

Joe Bohunicky, NHA, MBA, Administrator
